### **MESSAGE FROM THE MANAGER**

It is my honor and privilege to be the manager of Saint Xavier's English Medium School Madgari-k. Denis Waitley said, "Your attitude is either the lock on or key to your door to success. Each of us, sooner or later- goes through a moment or a situation when it seems that we are on the wrong road and life is moving in the wrong directions. But this is also true that some things are within our control and what disturbs us are not events or situations but our attitude towards them. Dear all, I wish you the blessings of a positive attitude and this is what we also try to build in our studies. We at Saint Xavier's English Medium School strive to provide a platform where a child is holistically educated, encompassing, physical, mental, social, emotion and spiritual growth. We aim that our students become a resource for tomorrow.

I request and I sincerely invite everybody to come and see because only with your support and co-operation the school will run and reach the highest height, your suggestion, guidelines even your criticism will make us strong.
